**Our Concept:**

The Next level Soccer Camps, Inc. has developed the High School Boys Preseason SUPER Camp for players who want to strive to play at **THE NEXT LEVEL**. This is an individual and team camp designed to prepare any player for the freshman, junior varsity or varsity soccer teams. Each player will receive quality training sessions from top College, High School, and Club Coaches from around the State. The players will have a different coach each day and will work on the four components of soccer: technique, tactics, fitness, and the psychological dimensions of the game. On the final day we will conclude with a World Cup Tournament. A separate training session specializing in the development of the Goalkeeper will also be provided.

The Coaching Staff is committed to provide competitive training sessions to help you reach **THE NEXT LEVEL**.

**Facilities:**

Uihlein Soccer Park is a Premier Soccer Facility in Wisconsin and the Midwest. In case of inclement weather, indoor facilities will be available.
